(201) 487-3243**

**Bergen County Department of Health Services provides confidential counseling and testing for anyone concerned about the risk for HIV/AIDS infection.**

**The screening is a simple procedure taking about 30 minutes. Results are available at the time of the visit.**

**The center is open for appointments on Monday from noon to 7:30 p.m. and Tuesday to Friday, 9 a.m. to 4:30 p.m. Call (201) 487-3243 to make an appointment.**

**Walk-in hours for testing without an appointment are Monday from noon to 2:30 p.m.**

**Today there is hope, help and health care for people who are infected with HIV.**

**Dennis McNerney, *County Executive***
