

STOP, DROP & ROLL!

Stop

Drop

Roll

Never run if your clothes catch on fire! Running will only make the fire get bigger!

If ever your clothes catch on fire, you need to know **Stop, Drop and Roll**. This means that you **stop** where you are, **drop** to the ground and **roll** back and forth until the fire goes out.

Pretend that your clothes caught on fire and **Stop, Drop and Roll** to put the fire out!
