### **Bergen County Health Care Center Recognizes the 10<sup>th</sup> Anniversary of 9/11**

In recognition of the 10<sup>th</sup> anniversary of 9/11, the Bergen County Health Care Center will host a ceremony on Tuesday, September 15 at 2:00 p.m. at their facility in Rockleigh. Life Source Services Hospice will present a flag flown over the Capital Building in Washington, D.C., and a certificate of appreciation from our Congressman, Steve Rothman for the dedicated service of the Center to their residents and the community. In conjunction with the flag presentation, Petty Officer Jim Cava, United States Navy Retired, will speak about "The Voice of Patriotism."

Situated in a 52-acre wooded area in northeast Bergen County, the Center is a 110-bed skilled nursing care center that enjoys a distinguished reputation for providing the highest quality care in a warm, homelike setting. The Center provides 24-hour personalized professional care to residents; all beds are certified for Medicare/Medicaid. Residents' needs are met in a loving and supportive atmosphere.

The goal of Life Source Hospice, serving Bergen County since 1999, is to provide the highest quality of life every day. Hospice strives to make the natural end stages of life as stress and pain free as possible. Hospice helps patients live with the dignity and respect everyone deserves.

Petty Officer Cava, the founder of "Operation Red White and Blue" and a true American patriot, is a combat decorated veteran receiving both the Purple Heart Medal and a Distinguished Service Medal in addition to other honors. Patriotic programs are made available to schools at no cost through Operation Red White and Blue.

The Bergen County Health Care Center is located at 35B Piermont Road Rockleigh, NJ 0764. For more information about the Center or to arrange a tour, contact Jennifer Frank, LSW, at 201-750-8310.
